Material Safety data sheet According to 91/155 EC

printing date: 03.25.2003

Reviewed on: 03.25.2003

Trade name: BURNISHING WAX

(contd. of page 1)

5 Fire fighting measures

Not flammable

6 Accidental release measure

Should be soaked up with absorbent inert material and collected for disposal in closed containers

7 Handling and storage

Storage: Keep only in the original container.

Further information about storage conditions: Keep container tightly sealed.

8 Exposure controls and personal protection

Personal protective equipment: n.a.

Respirators: n.a.

Hands: gloves.

Eye protection: glasses

Advise: do not smoke or eat when working

Take care for good ventilation at the working area

9 Physical and chemical properties

General Information	
Form:	liquid
Colour:	several
Odore:	Characteristic
Boiling Point:	90 °C
Specific Gravity/Density: (h ₂ O)=1	1000 g/l at 20°C
PH:	Not applicable
Water solubility:	Soluble
Solubility in other ingredients:	Not applicable
Solubility in organic solvents:	Not applicable
Vapor pressure:	n.d. mbar °C
Evaporation rate:	Not applicable
Viscosity:	Not flammable
Flammability:	Not applicable
Flash point:	Not applicable
Explosive properties:	Not applicable
Autoignition temperature:	Not applicable
Partition Coefficient:	Not determined

10 Stability and reactivity

Stability: Stable under normal storage condition.
 Condition to avoid: Keep away from ignition and heat.
 Incompatibility with other materials: Strong oxidizers and bases.

11 Toxicological information

Not dangerous preparation in accordance to Eec regulations

12 Ecological information

In according to paragraph 2 the product it is classified not dangerous for enviroment.

13 Disposal consideration

Product: Dispose in accordance with local and national regulation**Packing:** Do not consider the container as domestic refusals.

14 Transport information

Road: ADR/RID	Not applicable
----------------------	----------------

Maritime transport IMDG.	Not applicable
---------------------------------	----------------

Marine pollutant:	No
--------------------------	----

Air transport ICA 0-TI e IA TA DGR:	Not applicable
--	----------------

15 Regulatory information

Designation according to EC guidelines: 67/548/EC-99/45/EC.

Risk phrases:

Safety phrases:

3/7: store the container well closed in cool area 3 Do not breathe fumes/aerosol

20/21: do not eat, drink or smoke while using

Avoid contact with skin

16 Other information

These data are based on our present knowledge: However, they shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
